

**Our churches
invite you to join with us in
celebrating the birth of Christ.**

Whether you enjoy traditional services or the more informal Messy church or Christingle worship or our village green service you can be sure of a welcome and we look forward to seeing you.

The Christmas season is so exciting for everyone. As Christians we are looking forward to celebrating Christ coming into the world, with His message of love and hope. There are so many different services and events so we produce this card to greet you and to tell you what is happening.

There is even a chance to give thanks for the gifts received by all the family on Sunday 31st December at 11.00am in Hambleton. Easier than the Thank You letters that should be written. Christmas is special, join us to celebrate.
